As demonstrated in its Motion to Redact Transcript of February 13, 2012 Telephone Conference (ECF No. 281), Motorola's proposed redactions are appropriate under the terms of the stipulated Protective Order (ECF No. 72) because the redacted materials reveal detailed information regarding (1) confidential communications between Motorola and Microsoft, and (2) confidential financial information, including licensing agreements and confidential negotiations between Motorola and certain third parties. Microsoft did not oppose Motorola's motion to redact. Motorola, therefore, respectfully requests that the Court grant its motion and redact the transcript from the February 13, 2012 telephone conference as set forth in Motorola's proposed order.

DATED this 4th day of May, 2012.
